Y. M. C. A. DOINGS

A county rally for members and friends of the Young Men's Christian Association will be addressed by O. O. Stanchfield, an American secretary, who has been working in India for the past four years. It will be held at Seville, Saturday, Sept. 29th.
Mr. Stanchfield had expected to spend at least a year in this country, but because of the war, his work in India has become so urgent that he is planning to return in November. The privilege of hearing such a man may well be grasped by the people of this county. An opportunity will also be afforded of meeting Tom Lanham at the Saturday rally, inasmuch as he will accompany Mr. Stanchfield on this visit. Ladies as well as men and boys are invited to the Saturday evening session, which will be held at 7 o'clock.
At 1 o'clock Saturday afternoon, leaders and workers in local groups will meet in conference with Messrs. Lanham and Stanchfield at the Seville school building. Following this meeting at 3 o'clock the quarterly meeting of the county committee will be held. These meetings and the evening session, it is hoped, will be a great inspiration to the association work throughout the county. October will mark the opening of the regularly organized work at many points.

Wear A Hat

NO—we are not selling hats! This is a friendly tip to protect your eyes. The shade a hat gives is worth more than any hair going bareheaded may grow.

You will come to wearing glasses soon enough—don't hasten the day by going hatless.

Very likely you should have glasses right now. An examination by Barnard will tell. If you do need glasses, Barnard's is the place to get them, if you want to save your eyes and save money
